ANNOUNCING "SPX REwards"

Rewards for Stewardship and Commitment

A program has been established for families who send their children to St. Pius X Parish for Religious Education. "SPX REwards" are applied to the tuition and fees of Religious Education. Stewardship is a means to give back to the parish for services and attention given; thus reducing the amount that a family would give to the Religious Education Program.

- * *REwards* - for Bingo Workers.
- * *REwards* - "Sponsor a Student" Scholarship Fund
- * *REwards* - for Catechists, Aides, and Office Support.

Please contact James and Blanca Donahue for more details!

Please detach and return to the Religious Education Office:

Yes, our family is interested in the "SPX REwards" program. We will commit to the following program: _____.

I realize that this will be done after the above event(s) have been fulfilled or completed. If our family does not fulfill the time to any of the above events, the "SPX REwards" will be waived and our family will be responsible for the tuition payment.
